**Co-Show Manager's Message:**

We would like to welcome you all to our Halloween show and we hope that you have an enjoyable and successful weekend. Thank you for coming and helping to ensure yet another successful fall show at our Ogden venue. We are at maximum capacity for the number of entries we can accommodate. Our apologies to those that we had to turn away. Many thanks to our vendors whose presence adds immensely to the show experience and provides visitors to our show with a unique shopping experience. Our advertisers too have been very loyal in providing support for our shows over the years. Please take time to check them out and say thank you by your patronage.

We would like to thank all club members, family and friends for their incredible behind the scenes efforts over the past few months. Special thanks go to our long-time club members who were so willing to share their knowledge and experience with newer members such as ourselves. This mentoring helps to ensure the continuing viability of our club and the hosting of future TICA shows in Calgary.

Successful shows are more than just a competition. They are also meant to be fun, and a gathering of friends who share the same passion for cats. We need to build on this camaraderie to ensure the success of TICA shows in the future. Please take the time to chat with someone new. Each of you is instrumental in ensuring that every exhibitor has a great weekend!
